Business Success Series

think • ignite • act • achieve

You're Invited

to an interactive series of workshops designed to empower business owners to become great business owners.

Getting Smart

Why goals are the keys to a flourishing business

Presented by **Robert Boardman**

and hosted by Business Advantage Coaching in conjunction with Accounting & Taxation Advantage.

This isn't a seminar but an interactive workshop where you are challenged, can ask questions, share with other business owners and walk away with an action plan for you to put in place immediately in your business. We encourage all business owners to come and find out why it's important to get their business right from the ground up!

Date: Tuesday 19th October

Time: 9:00am to midday

Where: Springwood Sports Club, 83 Macquarie Rd, Springwood

Cost: \$66 per business (Includes 2 tickets per business. Additional tickets available for \$30 per person)

RSVP: Before 15th October to Sandra on 1300 692 228 or sandra@acctaxadv.com.au

Robert has a focus on facilitating change within people and their relationships, their business, and looking at the things they want to "get better at". He has delivered numerous workshops and conferences around Australia. With a style that is a blend of theoretical and interactive - he likes to get people talking and use the knowledge we all bring in helping people get the most from training opportunities. Robert is a registered Psychologist and certified trainer, and has a Degree and post-grad qualifications in Psychology.
